WITHDRAWAL PROCESS

Payments are made to Campaigners by Close of Business every Friday, 17h00 (CAT). In order for us to process your request to withdraw funds on time, all requests to withdraw funds must be sent/received by the weekly deadline which is every Friday, 09h00 (CAT). Please note that in the event of a **Public Holiday** falling on a Friday, then in such case, the deadline for a **Request to Withdraw Funds** will move to the day before, namely **Thursday at 09h00 (CAT)**.

The follow fees are deducted from your donations received, your funds, and calculated as follows:

1. **Publishing Fee** of R369.00 is deductible on your first request of funds withdrawal.
2. **Administrative Fee** of 5% (Reduced from 10% to 5% from 00:00:00 (CAT), Tuesday 19th November 2019)
3. **Finance Fee** (Online Payment Gateway & Bank Fees) is calculated at 5% (five percent) of donations received.

Example of Fee Deductions:

Donations received of R10 000

Less Publishing Fee of R369.00

Less Administrative Fee of 5%, equates to R 500.00

Less Finance Fee (Online Payment Gateways) of 5%, equates to R500.00

Therefore a final pay out to you in this example would be R8 631.00
